

### X Marks the Spot!

Follow the directions below.

Fill in your coordinates, then draw a line from one point to the next.

Find the location of the buried treasure.

The pirates landed at coordinate (3,1) from there they travelled east 1 and north 6.

(  ,  )

They continued East 2, then turned South 1.

(  ,  )

Having taken a short break they decided to travel West 5, North 2.

(  ,  )

They camped here for the night. In the morning they headed East toward the rising sun for 7 units, then south 4, until they arrived at a mountain they just could not climb.

(  ,  )

They once again travelled West for 5 units then North for 3.

(  ,  )

This is where they decided to burry their trasure.
