

### Coordinate Graphing – Relative Coordinates

Use the Grid to the left as a reference, to answer the questions below.

Start at (5, 5) and move left 3. Where do you end?

(  ,  )

Start at (3, 7) and move up 2. Where do you end?

(  ,  )

How do you get from (5, 5) to (0, 2)?

- 5 Left, 3 down       3 right, 5 down  
 3 right, 5 up       5 left, 3 up

How far apart are (0, 10) and (0, 1)?

Units

How far apart are (5, 5) and (5, 7)?

Units
